After Hours & Weekends: We are covered by D-DOC every evening from 6 PM until 8 AM the next morning, as well as weekends and bank holidays. **Contact D-DOC on 1850 22 44 77.**

Blood tests are carried out by our nurses on Monday, Tuesday, Wednesday and Thursday mornings by appointment only. Please book well in advance where possible as slots fill up fast.

Baby vaccines are carried out on Wednesday, Thursday, and Friday afternoons where possible.

Female Doctor: Dr Deirdre Nevin is available every Tuesday, Wednesday, Thursday, and Friday morning by appointment. She is trained in both Mirena Coil and Implanon procedures. We also have a regular locum, Dr Sam Burrows, who provides cover for busy periods and for when a doctor is off.

Repeat prescriptions can be ordered over the phone without a consultation, provided you have previously been issued the relevant medications and are not in need of a review. Please be aware that it will take up to **48 hours** for the prescription to be processed, and that there is a €15 charge for private patients.

Contact us by phone on **01-8455994**. If you cannot get through immediately it means that we already have four calls waiting, so please leave a voicemail and we will get back to you as soon as possible. You can also reach us by email at info@temenosmedicalcentre.ie but please be aware that our email is not checked as regularly as our voicemail so a response may take longer. We welcome any queries or feedback.
